Friends of the Library Mission

To focus public attention on library services, facilities, and needs; to assist the staff and the Library Board in developing and sponsoring programs of educational, cultural, and recreational value for friends and the community at large; and to develop fundraising projects for the library.

We are The Library's Biggest Advocates!

The Friends provide a vital source of assistance and revenue for the library. We help enhance the library's offering of events resources and programs.

Guest speakers, computers, summer performances, and a variety of programming for children and adults are just a few of the things provided through our fundraising efforts.
