PAVERS OF REMEMBRANCE

“Pavers of Remembrance” are a wonderful way to pay tribute to a friend or loved ones, living or deceased. Your donation of \$50.00 will purchase an engraved paver (details below). Engraved pavers will be placed throughout the library memorial path at the discretion of the library.

Sale of pavers takes place year round. **Cash and check only.** Please make checks payable to the “Friends of the Willington Public Library”

Pavers will be installed as the weather permits, and there may be a delay between the time of purchase and actual installation. Inappropriate pavers or business endorsements are not accepted.

Pavers can include up to three (3) lines of thirteen (13) characters each (this includes spaces and punctuation). Please use the boxes below to space out your message for engraving.

Paver forms are available at the library and, once filled out, may be returned in person or mailed back to: Willington Public Library, 7 Ruby Road, Willington, CT 06279.

Questions may be directed to: 860-429-3854 or wilmingtonpubliclibrary@gmail.com
