SPECIFICATIONS & NOTES

PROVISION AND INSTALLATION OF NEW TELEPHONE SYSTEM

AT THE

WILLINGTON PUBLIC LIBRARY 7 RUBY ROAD WILLINGTON, CONNECTICUT

Description of Work:

1. The Contractor will supply all materials and perform all work necessary for the provision and installation of a new telephone system at the Willington Public Library at 7 Ruby Road in Willington, Connecticut, as further described below.

2. The work includes:

A. Allworx Connect 324 Phone System

(i) Installation of an Allworx Connect VoIP 324 Phone System for 12 Users, with (4) FXO (POTS), (2) FXS, 1 Allworx Reach, Unlimited Allworx Interact, (1) Interact Pro, 4 Ports voicemail with Unified messaging.

(ii) (4) Allworx Simplified Licensing (ASL) 324 Warranty and Software Updates

B. Six (6) Allworx Verge(tm) 9312 - IP phones.

(i) Allworx Verge(tm) 9312 - IP phone with 12 self-labeling programmable function buttons, Gigabit Ethernet, 4.3" color screen, Bluetooth(r) wireless support.

(ii) Allworx 4 Year Extended Warranty

(C) One (1) POWER - APC 1500VA Smart-UPS.

D. Labor will include all removal and proper disposal of existing equipment and installation of new phone systems, as noted above.

Installation will include all necessary setting up of components for a functional and ready-to-use system. Library staff will assist in removal identification of existing systems and setup locations for various new systems and components. Configuration will include, at a minimum, setup of the UPS to protect the phone system, connection of a ground cable to the new UPS, configuration of programmable buttons, voice mail, caller ID, auto attendant, daily backup of the full Allworx Phone System to the existing NAS (Network Attached Storage), and ensuring that the phone system successfully connects to the library's P.A./intercom system. Also, the Contractor will coordinate with Frontier to ensure that the new phones are able to be converted to VoIP once hooked up, and coordinate with Otis Elevator for a dedicated P.O.T.S. line or an analog PBX line.

- E. Contractors will provide data submittals for all equipment and associated materials intended for use to the Library prior to ordering and installing new components. Submittals will include manufacturer's technical product data, and installation instructions.
3. The Contractor will be responsible for coordination of activities with Library personnel for access, delivery and temporary storage of equipment, and work schedules to coordinate as closely as possible to current Library hours for the duration of the work.
 4. Materials purchased for permanent installation will be exempt from the Connecticut Sales and Use Tax under the Connecticut Education, Welfare and Public Health Tax Act. Each Bidder shall take this exemption into account in calculating their Bid for this project.
 5. The time period for completion of this project is 30 days from the date of signing a contract, unless otherwise agreed between the Contractor and the Library.
